Dear Sir,

I am writing this email to grant request permission to organize a non-technical event titled “Guess the Movie Name” as part of NOVUS 2026.

The Date for the event is on10th October 2026, and it is planned for both 1st-year and 2nd-year students. The event will be conducted for approximately one hour, from 5:00 PM to 6:00 PM.The registration fee for the event will be ₹25 per participant.

The event will be a fun and interactive activity where participants will identify movie names based on different clues such as pictures, famous dialogues, emojis, short audio clips, and other interesting hints. We are planning to conduct the event in multiple rounds so that it remains engaging and gives all participants a fair chance to take part.

The main aim of the event is to give students a refreshing break from regular academic activities while also encouraging quick thinking, teamwork, observation, and active participation. The event will be properly planned and conducted under the guidance of the faculty coordinators and the SAC Department. We will also make sure that all the rules and guidelines given by the department are followed.

We kindly request you to grant us permission to organize this event as part of NOVUS 2026. We would be grateful for your approval and support.

Anticipating a positive response from your side.

Thanking you,

Yours sincerely,
